Out of Bounds Travel Routes

Several areas have access roads which are too rough for our vehicles to maneuver without incurring unacceptable wear and tear that compromise our safety and work schedule elsewhere. Other routes near cemeteries are off limits for other reasons.

**Sawmill Gulch**

Under no circumstances should any vehicle take this route which enters on HW 43 along the south side of the Big Hole River east of Dewey and goes northwards.

**Lime Kiln Gulch**

Do not take this route which departs from Quartz Hill Gulch road near the Dewey Cemetery.

**Dewey Cemetery**

The Dewey Cemetery which is off the Quartz Hill Gulch road just south of the town of Dewey is off limits at all times as this is sacred burial grounds.
